”

# Why Triponary Educational Trips

We make your kids experience real life education

Our specialized programs prepare students for the challenges of life, arming them with an in-depth exploration and hands on experience. We believe each student deserves an experience of educational travel, which is why we always offer best pricing and more value adds.

Triponary researched and carried varied discussions with key stakeholders for devising the structure on 4 pillars to give meaningful experience and education in the Out of classroom learning process.

- ❖ We consult with Academicians, professionals, Students and Educational consultants to create these four pillars for students to inculcate in their education.
- ❖ Triponary offers unique programs for students as we believe that each child in nascent stage of learning deserves an Out of Classroom learning experience.
- ❖ Apart from the tailor-made programs we will offer unique programs to students, preparing them for challenges of life, future professions and recognizing their calling and potential.
- ❖ Hundreds of destinations, endless possibilities have been studied and explored to show students the world differently. Our program specialist will work with School faculties to align curriculum with educational tours & activities delivering the right program.

Triponary offers unique programs for students as we believe that each child in nascent stage of learning deserves an Out of Classroom learning experience.

- ✓ Leadership Building Programs for budding future Leaders and team players. These leadership program provides the environment and training to help students realize their full potential.
- ✓ It is done at outdoor classrooms in remote wilderness areas with powerful authentic experiences. We are committed to wilderness, education, leadership development, safety, community service and excellence.
- ✓ These camps focus on physical and mental abilities and are a fantastic experience for students to get to know their strengths as well as of those on their team.

# Our Specialized Experiences

Leadership & Personality Development Camps

# NO.1 EUDUCATIONAL CAMPING TRIP ORGANIZERS IN INDIA

## OUR FOCUS

We aim to create society & future minds

### ● Project based learning Trips

We help students to explore beyond books and syllabus. These trips are designed to enhance the observation, attention, exploratory and analytical skills. The trips help students to develop passion for research and in-depth understanding of their favourite subject. The most popular trips are Cultural heritage, Natural Heritage, History , Biodiversity trips, Geography trips, Oceanography & Marine conservation trips, Wildlife and off course Adventure Camps.

### ● Hobby to Passion Retreats

Triponary helps the young minds to explore their minds for creative persuit. This is an endeavor to promote skillful Hobbies and creative development of Students. The camps are meticulously planned with experts to ensure learning step by step with subject matter experts. The most popular camps are Birding camps, Camp Kidfest, Photography Camps, Wildlife Camps, Creative writing Retreat, Art & craft Retreat and Performing Arts Retreat.

## Hobby to Passion Retreats

The camps are meticulously planned with experts to ensure learning step by step with subject matter experts. The most popular camps are Birding camps, Camp Kidfest, Photography Camps, Wildlife Camps, Creative writing Retreat, Art & craft Retreat and Performing Arts Retreat.

## Career Orientation Trips

Career orientation and exposure trips are experiences that helps the student to take an informed decision about future. Travel with purpose helps students to ignite their ambition and inspires them to make dreams a reality. Students gain first hand experience of usual and unusual career streams they can choose to pursue in life. Explore the Institutes, Academic courses, Industries and much more on these trips. These trips will help students to understand their passion, defining career goals and carve future path. Ignite your ambition and fire you aspirations by visiting top Educational Institutions, celebrated Industries, Career workshops and much more with our Career Orientation Trips.

## Triponary Community Service Camp

Gain insights into the challenges of the community, life and culture of locals and understand issues faced by communities on day to day basis. Under expert field directors gain the necessary experience and credit points to help your career goals. Our partner NGO's make sure that the contribution and associations of students with their live projects are meaningful and motivates them to bring about change.

# We Follow

We aim to create society & future minds

I E S

## Triponary Educational Trips

- Experiential

## KIDFEST

# KIDFEST

- ❖ A unique fest is built around the literary and cerebral development of students. An attempt to enliven young minds and trigger imaginations to inculcate habit of reading, writing and articulating.
- ❖ The planned activities will help bring about a change in the mindset of students towards literature, creative writing and exploring knowledge beyond stipulated curricula.
- ❖ The fest is held in the premises of school for two days the school gets converted into a creative retreat and students enjoy participation in various workshops and sessions enriching their young minds.
- ❖ The lead-up to kidfest will be 1 month exercise involving school faculty and specialists. This will culminate into two day exclusive event wherein talent from all over India will be invited to share metier with students teacher and parents (optional).
- ❖ The fun, interactive workshops by leading talent, NGO's, SALT(Society for Arts & literature) committed to betterment of students would be at the premises to lead the effort.
- ❖ The fest ends with felicitations, awards and rewards for students as well as teachers for making all positive efforts.

# We love doing these

We just don't make you travel arrangements but educate your kids as well

+First

Outdoor activities like Hiking, Rock Climbing, Orienteering, Jungle Walk, etc. have been largely used for the purpose of recreation and exploration. These activities leave their great impact not just on body, but also on the mind of the participating peoples.

College Trips 🍷

+Second

Confidence is what the need of all the students irrespective of age. Through the use of physically and mentally challenging Climbing Wall individuals learn how to better work together as a team with a common goal with confidence.

School Educational trips ●

+Third

In Trekking Camp we add little Jungle trekking (or more if group demands) where participant will have to walk along the river or in the forest, get acquainted with the flora & fauna. They take lunch in the jungle and understand the local geography and the importance of Water, Wood and Trees.

School Camping 🍷

+Fourth

We do everything that words with Travel, Trips, Holidays

## FLAGSHIP TRIPS

Leaders also need some time out

- ✓ Leadership Boot Camp
- ✓ Marine Conservation
- ✓ Wildlife Conservation
- ✓ Biodiversity at Ladakh
- ✓ Career Orientation, Dehradun
- ✓ Biodiversity at Jaisalmer

- ❖ INTERACTIVE
- ❖ SAFE
- ❖ EXPERT GUIDED
